The Virginia Recreation and Park Society is busy planning our 2015 Annual Conference to be held in Virginia Beach, VA November 7-10, 2015. We are seeking creative, interactive, informative speakers to create a unique learning experience that our conference-goers won't find anywhere else. Sessions will be held at the [Oceanfront Hilton](#) and the [Virginia Beach Convention Center](#).

The Virginia Recreation and Park Society is a private, non-profit professional organization, founded in 1953 and incorporated in 1956. Its purpose is to unite all professionals, students, and interested lay persons engaged in the field of recreation, parks and other leisure services in the Commonwealth of Virginia, into one body. VRPS is an affiliate of the [National Recreation and Park Association](#).

This year's conference's theme is **Cultivate. Connect. Converge**. We are seeking intelligent, motivating, insightful speakers to fill our education schedule. Presenting is an excellent way to gain visibility as a progressive professional, or to establish contacts for your business or company. The participants at the Annual Conference are Parks & Recreation Professionals and students from across the state. Attached, you will find a list of session topics and ideas for consideration.
