 3. **Using the “Session Evaluation” link, check-out** of each session at the end of the session by completing the session evaluation.
- ❖ **VRPS staff** tracks your attendance to each eligible session based on your session **check-in** and **check-out** activity via the Conference App, which verifies the total earned CEUs.
 - ❖ **VRPS staff** sends an email/electronic letter via the email address on file to each delegate awarding earned CEUs and providing proof of attendance within 30 days after the conference.
 - ❖ **CEUs can be earned based on the number of sessions attended during the VRPS Annual Conference. Attendees are required to attend entire sessions, “check-in” via the app and complete session evaluations to obtain CEU credit.**
