

VRPS Annual Conference 2021: HEALTH & SAFETY Guidelines

VRPS Annual Conference HEALTH & SAFETY COMMITMENTS

Educate Safely...Socialize Safely...Celebrate Safely

The safety of our conference delegates, speakers, exhibitors and guests remains our top priority. Consistent with Centers of Disease Control and Prevention (CDC) guidance, we **require** that ALL wear face coverings/masks while indoors and traveling on buses/vans, for all VRPS sponsored activities and events.

Safety ABCs

- **Daily Health Questionnaire:** will be required for completion via the Conference app. Hardcopy daily health questionnaire is available at the registration desk.
- **Face Coverings/Masks:** will be required for all conference attendees and guests while indoors and traveling on buses/vans.
- **Hand Sanitizer Stations:** will be placed throughout the hotel and in educational sessions.
- **Increased Cleaning:** the hotel is committed to cleaning high touchpoints and areas of the hotel.
- **Physical Distancing:** will be increased between chairs and in conference spaces as spacing allows. All attendees should respect and engage in appropriate physical distancing of others.

Health & Safety FAQs

Will I be required to wear a face covering/mask? Yes...Consistent with CDC guidance, we require that our conference attendees and guests wear face coverings/masks while indoors and traveling on buses/vans during VRPS sponsored activities and events. **Please bring your face covering/mask daily.**

What is considered an acceptable face covering/masks? Face coverings/masks that fit within the [CDC guidelines](#) are considered appropriate for conference attendees and guests while in indoor spaces.

Will I have to show proof of vaccination upon entry? We will not require conference attendees and guests to provide proof of vaccination. Consistent with CDC guidance, we require that ALL conference attendees and guests wear face coverings/masks while indoors and traveling on buses/vans, regardless of vaccination status. If unvaccinated, complete a COVID-19 test at least 72 hours before and after travel.

What to do if I am not feeling well? If you aren't feeling well or experience symptoms such as a fever, cough, runny nose, loss of taste or smell, sore throat or nausea, it is requested that you separate yourself from others and do not attend conference educational sessions, activities or events. Seek advanced medical assistance as needed.
